Message from the President

Thanks to all of you for the love and support I received when my father passed away recently.

The end of my second term is right around the corner. Who would have thought five or six years ago that I would be elected as your president? I certainly always knew that I wanted to play an active role in the chapter but never thought of myself as someone who would be qualified to be the president -- although I always had my dream. With the help and support of a wonderful board, I have accomplished that dream. Many changes have taken place over these past two years and we have accomplished a great deal. We are a chapter to be reckoned with and are highly regarded by NALS members at all levels. It has been my pleasure to serve as your president and I look forward to an exciting year ahead with the new board. New officers will be selected but the spirit will be the same -- *there is no "I" in team*. I would like to take this opportunity

to thank all of you who have served this association as officers, committee chair-people and committee members. I am stepping down -- not moving out. Special thanks goes to my Executive Advisor, Julaynne ("Jaye") R. Lukas without whose guidance, watchful eye and kick in the pants from time to time, I would surely have gotten myself into trouble.

Remember the three Rs of NALS...Recruiting, Retention, and Recognition!

Membership...

Over 200 members attended the 2005 Professional Development and Education Conference in Tulsa. Prior to the conference, I was lucky enough to accompany new Immediate Past President Mary E. Burns, PP, PLS and Tammy Shatwell Mullins to dinner and the Theater Performance of 42nd Street at the in the Tulsa performing Arts Center at the TPAC Chapman Music Hall. It

was an awesome performance and indeed a privilege and pleasure Kathleen Klish, PLS, Sandy

Lavender and I all attended the NALS Professional Development & Education Conference in Tulsa, Oklahoma, March 10-12, 2005.

The NALS Foundation presented Scales of Justice Awards to NALS of Detroit, the Real Estate Section of the State Bar of Michigan, and Kent Morlan during the NALS

Professional Development and Leadership Conference earlier this month in Tulsa, Oklahoma.

NALS of Detroit and Special Counsel undertook a remarkable project this year, partnered with the Real Estate Section of the State Bar of Michigan and the lawfirm of Trott & Trott, PC, and will participate in one of two Habitat for Humanity Jimmy Carter 2005 International Blitz Build being held in Michigan cities this year, one being Detroit.

Members of NALS of Detroit, in conjunction with our partner, Special Counsel, had a goal to raise \$15,000 toward the project and will be participating in the building of the home. The members will use their personal days and vacation time during the week of the build and have spent countless hours raising funds for this project.

Because NALS of Detroit truly involved itself in a visible civic project in a manner that will embed its name in the legal community and promote the association and the good legal professionals do, the trustees of the NALS Foundation felt this project was deserving of a Scales of Justice award presented to a NALS chapter.

A second Scales of Justice Award was presented to NALS of Detroit for them to present to the Real Estate Section of the State Bar of Michigan. They too committed their resources to this worthwhile project.

Also receiving a Scales of Justice Award at the conference was a local Tulsa attorney who first spoke to NALS a decade ago. He talked about personal computers,

the internet, legal research online, email, working from home – all of which, at that time, were extremely new concepts. Mr. Morlan continues to support NALS in many ways, and opened the eyes of our leaders and members, encouraging us to embrace the changes technology “forced” on us. In recognition of his achievements in the profession and his commitment to NALS, the NALS Foundation was honored to recognize him.

The Scales of Justice Award is a recognition given by the NALS Foundation to recognize individuals who make significant contributions in one of the following areas:

- improve access to justice; improve
- the quality of legal services;
- promote the legal profession; support the community where they work and live. ☸
